## Overview

The Access to COVID-19 Tools (ACT) Accelerator Strategy and Budget will be periodically updated to reflect the evolving epidemiological situation, knowledge of COVID-19, COVID-19 products and pipeline, and financing requirements.

Topics covered include: key achievements, priorities in 2021, maximizing impact, the funding gap, complementary activities and investments, and the economic case for investing in the ACT-Accelerator.

This document supersedes the ACT-Accelerator: Status Report & Plan and ACT-Accelerator: Economic Investment Case & Financing Requirements, published in September 2020, and the ACT-Accelerator Urgent Priorities & Financing Requirements published in November 2020.
