(1) This analysis includes 55 of the 58 donors who pledged at the NY conference “Towards a New Future for Haiti,” held in New York on 31 March 2010. InterAction, the Red Cross movement, and UNASUR have been excluded from this analysis due to reporting difficulties related to their structures as member-based organizations. The status of their contributions to Haiti are explained in the key facts sheet available on [www.haitispecialenvoy.org](http://www.haitispecialenvoy.org).

(2) This analysis is based on data received from ten of the top 12 donors in December 2012. It was converted using UN exchange rates from December 2012.

(3) This analysis is based on the calendar year. Donors used different fiscal years to make their pledges, as listed on [www.haitispecialenvoy.org](http://www.haitispecialenvoy.org). Most donors used the calendar year (January 1 - December 31). Five donors - Australia (June 30), Canada (March 31), IMF (September 30), Japan (March 31) and the US (September 30) - used different fiscal years. The Office of the Special Envoy has attempted to harmonize donor pledges based on the calendar year.

(4) The pledges made at the New York donors' conference cover different time periods. This column indicates the final year of the pledge made by each donor at the New York donors' conference.

(5) As part of their pledges at the New York donors conference some donors reprogrammed funds that were already allocated to Haiti in multiyear development programs.

(6) The Office of the Special Envoy has estimated the end year of the OAS pledge based on an annual allocation of \$18 million.

(7) The OSE has assumed that these donors intended to make the contribution that they pledged at the New York donors conference in the 2010 calendar year.

(8) Canada's financial information for fiscal year 2012-2013 is preliminary. For additional information on CIDA's projects in Haiti please consult CIDA's project browser (<http://les.acdi-cida.gc.ca/project-browser>) and the Statistical Report on Official Development Assistance (<http://www.acdi-cida.gc.ca/acdi-cida/acdicida.nsf/eng/JUD-4128122-G4W>). Canada provided \$16 million to the IDB's Special Fund for Operation in 2010. These funds were included as part of the IDB's pledge and have been excluded from the analysis of Canada's pledge.
