(1) This analysis is based on funds disbursed to grants from the New York conference pledges. It does not include contributions to the HRF or budget support.

(2) Converted using the official UN exchange rates from September 2011.

(3) Extracted and adapted from the budget in the Government of Haiti's Action Plan for Recovery and Development (page 45).

(4) Committed (or obligated) funds are those for which projects have been approved or agreements/contracts have been signed or are in the process of being transferred/dispensed. Committed funds are exclusive of dispensed funds.

(5) Disbursed funds are those that have been transferred to an implementing partner (e.g., the Government of Haiti, an NGO or other non-state service provider).

(6) Primary implementing partners include government agencies, non-state service providers and private sector agencies. The primary implementing partners were defined and recorded by the donor. The primary implementing partners may or may not be the primary funding recipient.

(7) The US is working in these sectors through its different funding streams. The exact levels of funding in each sector are under consideration. The figures in this table do not include contributions from the US.
