(1) Converted using the official UN exchange rates at November 2010.

(2) Committed (or obligated) funds are those for which projects have been approved or agreements/contracts have been signed or are in the process of being transferred/dispensed. Funds that have been committed and dispensed are accounted as being dispensed only.

(3) Disbursed funds are those that have been transferred to an implementing partner (e.g.: the Government of Haiti, an NGO or other non-state service provider). Disbursed funds are mutually exclusive to committed funds.

(4) Pending funds are those that are not yet committed or dispensed funds, but are allocated to a specific activity.

(5) Donors may commit funds in 2010 that are part of their allocation to future years. For example, a \$40 million grant may be dispensed in \$20 million transfers over 2 years. Thus the sum of the committed and the dispensed amounts may be greater than the 2010 allocation.
